

18th Annual

YAMAHA

Dealer Series

You can WIN a 2010 Yamaha YZ250F!

The competition is fierce but the atmosphere is friendly. Each year this series brings out the best racers and the best fans. This four-round series pits the dealers from all over Southern California against each other for the honor of displaying the Dealer Series Cup.

Thanks to the support from Yamaha, this event is in its 18th year and has been an incredible event that helps promote the sport, while getting people involved with the racing scene. With this series, each race counts toward the point total, not just the overall finish. That makes the results of each class a very important aspect of the Championship. The series really is geared for the whole family. After the races, you can often find the competition huddled around the same BBQ after the racing is over. So, come on out and take a chance at a Series Championship Title and a chance to win a new machine thanks to Yamaha Motor Corporation.
